This program is designed to give Kayakers a chance to keep their skill sharp throughout the winter months. This is not a class but a time to put your boat in the water and practice your skills and drills. There will not be an instructor but there will be advanced Kayakers at each session so if you are looking for advice they are happy to help.

Kayakers are encouraged to sign up before the date of session they want to participate in. Signing up in advance will ensure that there will be space for your kayak.

Pool Closed 11/26, 12/24 and 12/31. The DACC does reserve the right to provide less than twenty four hours notice for pool malfunction or breakdown. Kayaking session runs on Thursday Nights only from 7:30pm – 9:30pm
